Re: Receipt of Permit Fees and Acceptance of Change in Company Name, West Desert Granite L.C., RDS 61 & 62 (S/023/066) and RDS 502 (M/023/067), Juab County, Utah

Dear Mr. Finnegan:

Thank you for submitting your annual permit fees for your RDS 61 & 62 small mining project and your RDS 502 large mine project, which was received on September 4, 2001.

We also received your letter requesting that we change your company name from Resource Design Solutions to West Desert Granite, L.C. Your letter states that the address, officers and shareholders remain the same. We have changed our database records to now reflect the new company name of West Desert Granite, L.C.

Because you are working toward obtaining a transitional reclamation surety for your RDS 502 large mine project, please be aware that you will also need to change the company name with the Division of Corporations as well. When we receive the reclamation surety and the Reclamation Contract (Form MR-RC), which needs to accompany the surety, we will need to check with the Division of Corporations to be certain that West Desert Granite L.C. is a viable company registered to do business in the state of Utah. **The reclamation surety needs to be received by NO LATER THAN OCTOBER 10, 2001, or we will have no other choice than to issue a Division Order directing you to reclaim the entire site.**

Thank you for your help in finalizing these permitting actions. If you have any questions or concerns regarding this letter, please contact me at (801) 538-5286 or Tom Munson at 538-5321.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
Minerals Regulatory Program
